## About the Community Youth Soccer Camp

For children ages 4 to 10

The main focus of the camp is to encourage young soccer players to better their skills. Our staff will strive to educate your children about the game of soccer and to make sure that they have fun playing the world's most popular game.

Camp check-in will be on June 22, July 13 and Aug. 3 in the lobby of Kerr Fitness Center. After registration day, campers will meet at the La Roche Baseball Field Parking Lot on Duncan Avenue.

In the case of inclement weather, campers will move indoors to Kerr Fitness Center if available. Indoor shoes are required in the center.

### What to bring

Campers should arrive at camp prepared to play soccer with the following equipment: a soccer ball, shin guards, and soccer shoes. (Outdoor soccer shoes optional.)

Soccer balls will be available for purchase on the first day of camp at the cost of \$15. Shoes and shin guards will not be available.

### About the coach

Miguel Lozano, a native of Madrid, Spain, is the head women's soccer coach at La Roche College. Coach Lozano played at the semi-pro level in Mallorca, Spain. Still an active member of local indoor and outdoor teams, Coach Lozano has coached a number of local youth clubs and has won two state championships. He is an experienced Olympic Development Program (ODP) coach and, in 1998, was named to the Region I Regional ODP staff. Coach Lozano was named the AMCC Coach of the Year in 1998 and 2002. Coach Lozano holds a United States Soccer Federation (USSF) "B" license. He lives locally and is married with two children.

For more information, contact La Roche College, Athletic Department at 412-536-1016 or lozanom1@La Roche.edu.

## About the Premier Soccer Camp

For children ages 10 to 15

Whether your aspiration is to play professionally, earn a college scholarship, make your state program, or simply win a spot on your club or school varsity team, the Premier Soccer Camp will help you reach your full potential and achieve your goals.

The camp provides a full week of functional training designed to achieve a greater understanding of positional play and promote better decision-making relative to each player's roles and responsibilities.
