AGE GROUP PLAY-UP REQUEST

Hampton Soccer Club
PO Box 261
Allison Park, PA 15101
HamptonSoccerClub261@gmail.com

In the continual effort to promote challenging and fair play, the Hampton Soccer Club (HSC) is constantly monitoring players, teams and play-levels for equitable yet inspiring inter and intra-team competition. Requests to move a player to the next age-group are a serious step that need to be carefully considered. The HSC Board of Directors with guidance from coaches, Age Group Managers and any independent observers, will evaluate each request on its own merits and will consider player safety first and foremost.

This form must be either 1) mailed to the Club (address above) with a postmark of the last day of *regular* registration or earlier or 2) scanned and emailed to the Club (HamptonSoccerClub261@gmail.com) with a transmit date / time stamp of 11:59PM or earlier of the last day of registration. Requests filed in conjunction with *late* registrations will not be considered

I hereby request, that my child / ward be considered to play-up an age group. (One form per player please)

Name of child: _____ DOB: ____/____/____ Circle one: Boy / Girl

Player's age group per birthday and PA West definition: _____ Age group requested: _____

The reason for the request: _____

I understand that there are possible risks inherent in my child playing games and practicing with a team in an age group with older players and with that understanding I willingly give permission to move my child / ward to the requested age-group if the Board approves this request.

I have authority to make this decision for my child / ward.
