

**PA WEST YOUTH BOARD**

In an effort to provide our Referees and players with a safe environment we encourage all Referees to use the Referee Hotline and to report all incidents involving coaches or parents.

**Please email [refereehotline@gmail.com](mailto:refereehotline@gmail.com)**

How to use the hotline:

Take a picture of the GDR and report anything that will help us to make the environment safer and more enjoyable. We will follow up on any email and keep a record. This allows us to detect any emerging patterns which will enable us to specifically correct any issues.

When to use the hotline:

Report loud, excessive, or condescending spectators or coaches. Tell us about spectators or coaches that irritated you or the players. Anything that needs improvement and anything that you think we should be aware of.

This is your safe place and all will be held confidential.
